

Sneetches Video Instructions

The purpose of this video is to serve as an opening lesson for “To Kill A Mockingbird”. Use it to help guide students in a discussion of discrimination and racism between cultures.

Using the video: In order to maintain the captions which overlay the video, it must stay within the “Amara” website (the link provided above). Therefore, it is critical that you do NOT click on the “youtube” logo on the window of the video.

If you need or want to make the video larger to watch on a big screen simply enlarge the window that the movie is in. Here are steps to explain how to do this.

PC – Hold down the Ctrl + Plus Sign (+). Press it as many times as you need. You will need to use the sliders along the side and bottom of the screen to put the video in the middle of the screen.

Mac – Hold down the “Command key as press the “+” key as many times as you need. You will need to use the sliders along the side and bottom of the screen to put the video in the middle of the screen.
